Can you even do it with a girl?
.....

That's mean.
That's my line!
I know.
Sorry.
Haha ..
Sorry... sorry, you say?
Yes, I understand
I also wanted to become normal and tried to work out with a girl.
But all I could think of when I was touching a woman was you.
In the end, I couldn't go all the way.

Try hard, dude.
Just shut your eyes.
And kiss her. Think her as me or something. Make it work.
Congrats, you bastard.
끄아아
Yeah, thanks.

Are you currently seeing a woman?
Pardon?
I am currently seeing another man.
그 촉말고.
방 긋 ㅁ—
And I have yet to cut him off.
You are honest.
He is a hidden card though.
This may just be an arranged marriage, but don't take the marriage lightly.
If you prove to be a bad husband, I am going to make your life miserable.

Scary..
I feel you are too good to be with me.
Oh, I do know.
And your answer?
...I had someone.
We had been going out for about 5 years.
And we were seeing each other until very recently
However, since the arranged marriage has been decided,
we won't see each other anymore.
... Did you love her?
No.

Yes?
You know, your close friend who's quite pretty for a guy
Ah, him.
Yes, him. You two have been very close. Why are you not calling him to your wedding?
Did you two fight?
No.
It's not that...

It's just... we've moved on.
Too bad, I liked him.
My mom and I share the same taste in men...
I can never tell her that though.
Anyway, once you are done with the list, print it out and give it to your dad. He will contact the wedding planner.
Yes.
The date was fun.
Same here, be careful going home.

.....
You know.
He's been taken care of.
Pardon?
The hidden card I talked to you about, he's gone.
Ah, I see...
I've gone pretty far in this. Don't I deserve a kiss at least?

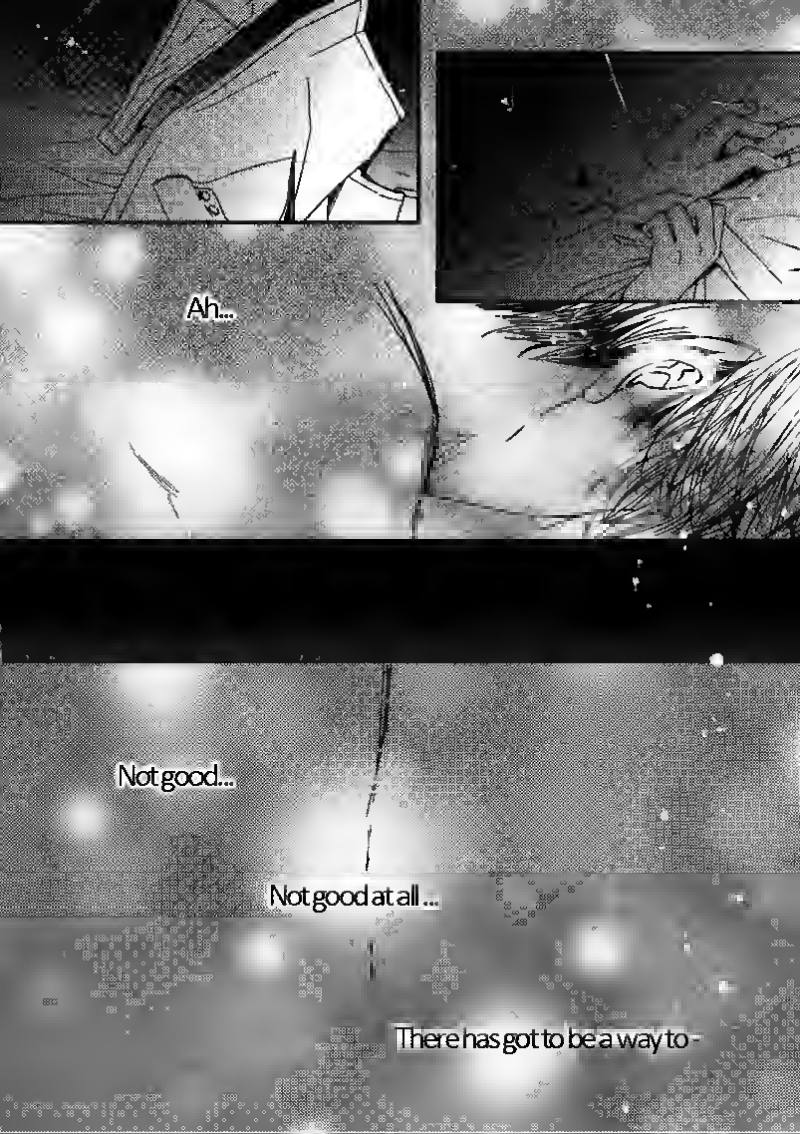
Just ... be done with it.
In the near future,
I will have to do far worse than this.
I just have to do it.
I just have to.

Now excuse m-
Wait. why don't you have coffee at my place?



Ah...
Not good...
Not good at all...
There has got to be a way to -

"Kiss her. Think her as me
or something. Make it work."

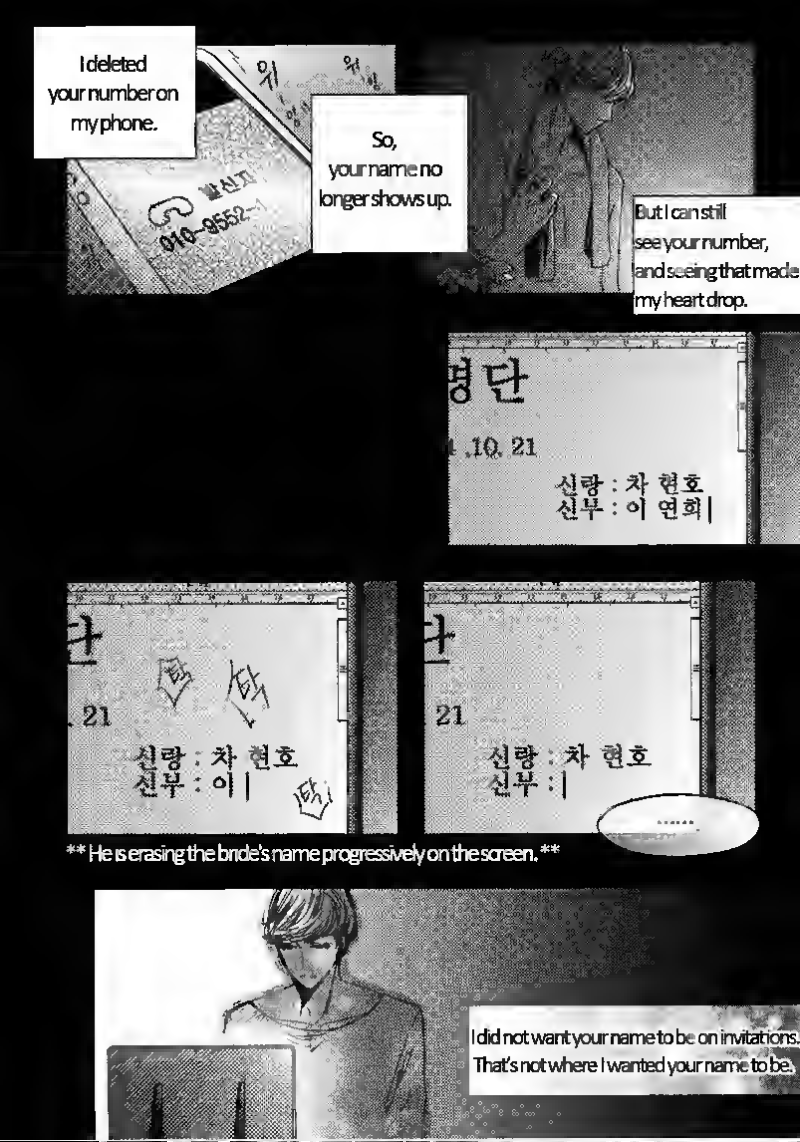
What am I thinking....

at a moment like this...

"Did you love her?"

"Not at all."

Of course, not, it's a guy.



I deleted your number on my phone.
So, your name no longer shows up.
But I can still see your number, and seeing that made my heart drop.

** He is erasing the bride's name progressively on the screen. **
I did not want your name to be on invitations. That's not where I wanted your name to be.

.....
Hey!
Who're you thinking about?
Was it that woman?
..No.
Liar.
I did not lie.
Hmph~
..I do mean it.
